Murray, UT 84107

**Best of State WINNER**  
**Local Sandwich Category**

We bake our flatbread (not tortilla), enchiladas, garlic bread, and freshly made rolls, in-house. Our flatbread has only 140 calories, and never any preservatives, additives, lard or shortening. All of our high quality meats are shredded and cooked in-house. We also have plenty of vegetables and house made dressings to add to your wraps and salads. Once your wrap is made, it goes in a cup making it a "Wrap in a cup."
